## Paper Mache Globe

### Supplies:

- Balloons
- Newspaper cut into strips
- 1 cup flour
- 2 cups water
- Spoon
- Microwave-safe bowl
- Microwave
- Paintbrush
- Paint
- Pin

### Directions:

1. Mix the flour and water in the microwave-safe bowl.
2. Microwave the mixture in 30 second increments, stirring in between until it is a thickened smooth consistency.
3. Let it cool.
4. Blow up your balloon to the size globe you would like to create.
5. Dip newspaper strips in flour mixture and wrap around balloon. Continue until balloon is fully covered with at least two layers.
6. Let it dry.
7. Paint the globe.
8. Pop the balloon inside using a pin.
9. Enjoy mapping out your world travels!

## Travel Vision Board

### Supplies:

- Poster Paper
- Magazines
- Scissors
- Glue/tape
- Stickers
- Markers

### Directions:

Think of what adventures you want to take as a family and where you want to explore. Find inspiration in magazines or online. Cut the pages out of the magazine or print the images, then glue or tape them onto poster paper. This is a great way to map out your travel goals!
